The New LIGHT-SIX

HE New Series 19 Studebaker LIGHT-SIX so completely meets the requirements of quality, appearance, price, economy, room, comfort and speed that it has been called "the ideal fivepassenger car." Its lines are clean cut and aris-

tocratic. The fenders, radiators, tilting windshield and the arrangement in detail of the seats all blend harmoniously and symmetrically, making the general impression of Beautiful in Design the car distinctive and beautiful. Thoroughly Modern Mechanically Right

A 40,000-mile mid-winter endurance test demonstrated the wonderful stamina and staying qualities of this new LIGHT-SIX.

Come in and let us give you a demonstration.
